**Frigidaire Recalls Certain Clothes Washers Due to Potential Fire Hazard**

**Toronto, ON** – The Electrical Safety Authority is notifying the public that the Frigidaire division of Electrolux Canada Corp. (“**Frigidaire**”) has announced a voluntary recall of the following consumer product. Consumers should unplug and stop using recalled products immediately.

**Name of Product:** Certain Crosley®, Frigidaire®, Kenmore®, and White-Westinghouse® front load, top load, and “Laundry Center” clothes washers.

**Units:** Approximately 7,322 across Canada.

**Manufacturer:** Frigidaire

**Canadian Distributor:** Frigidaire

**Hazard:** An internal defect in the washers’ drain pump can cause heat to build up, posing a fire hazard to the consumer.

**Incidents/Injuries:** No incidents or injuries have been reported.

**Description/Models:** This recall involves washers with the following model and serial numbers (“**Affected Washers**”).

**Sold by:** Major retailers including Sears, and The Brick, and at independent retailers across Canada.

**Dates distributed:** The affected models were sold in Canada from approximately February 2009 to May 2009.

**Manufactured in:** The United States

**Remedy:** Consumers should immediately unplug and stop using the Affected Washers and contact Frigidaire (or Sears Canada if the unit was purchased there) to schedule a free repair.

Consumers should confirm whether they have one of the Affected Washers by checking the serial plate, and matching both the serial and model numbers provided below.

**Consumer Contact:** Consumers should contact Frigidaire toll free any time at 1-877-551-7327, or visit the firm’s Web site at [www.laundrypumprecall.ca](http://www.laundrypumprecall.ca) or in French at [www.rappelpompebuanderie.ca](http://www.rappelpompebuanderie.ca). Consumers who purchased their product at Sears Canada should call Sears Canada toll free any time at 1-800-469-4663 (1-800-FORMYHOME).

**Remarks:** The recalled units are certified to Canadian Standards by UL. For more information about the product certification process please visit: [www.UL.com](http://www.UL.com).
