

How to Complete the Application for an ECRA/ESA ME Licence

Part II Professional Qualifications

Section A) Professional Qualification

If you have multiple professional qualifications, of which one is a Journeyman Electrician, the Journeyman Electrician will be indicated as the primary qualification for the purposes of issuing this licence.

Section B) Qualifying Work Experience:

You are required to have 3 years experience working for an electrical contractor under the certificate or licence which you indicated in Section A. Provide a comprehensive summary of your qualifying 3 years experience. It should include, in chronological order:

- The names and addresses of your employers or businesses;
- A description of the position held in the business and the type of work performed;
- The dates (year/month) of employment (beginning and end dates for each employer)

Attach an additional sheet if space on the application is insufficient.

Part III Designated Master Electrician

Complete Part III only if you are being designated as the Master Electrician for an electrical contracting business assuming the responsibilities for overseeing the daily activities of that business.

IMPORTANT NOTE: If the electrical contracting business' licence number is not yet known because they are in the process of applying for their ECRA/ESA EC Licence, please ensure that both your ME Licence application form and the business' EC Licence application form are submitted together so the proper licence numbers can be applied.
