

## **Contact Information for ESA:**

Please note that as of December 1, 2005 ESA is implementing a one number strategy for contacting the Cambridge Customer Service Centre. The former processing centre voice and fax numbers will be cancelled. As a result, when referring customers to ESA or when contacting ESA for Reporting Serious Electrical Incidents or for any other service requests please use the following new numbers:

**Phone:**

**1-877-esa-safe (372-7233)**

**Fax:**

**1-800-667-4278**
