Keystore International Issues a Voluntary Recall of Desk Lamps

Montreal, December 6, 2006- Keystore International, a subsidiary of Globe Electric with offices in Hong Kong and Shenzhen, China, is voluntarily recalling Globe halogen desk lamp.

Name of Product: Globe halogen desk lamp model 52220.

Units: Approximately 2000 halogen desk lamps.

Hazard: The bulb wattage indicated on the packaging reads 50 watts while the lamp is certified for 35 watts. If used with a 50 watt bulb, the potential exists for the lamp head to overheat and begin to melt.

Incidents/Injuries: There have been no reports of injury or property damage involving this product.

Description: Halogen desk lamps affected are all the same model 52220, under the UL label file E203660. The

product can be identified by a label positioned beneath the base showing model: 52220 and factory ID: HXL(IV). This recall affects only those products with a label as indicated as above.

Sold at: Primarily by Canadian Tire across Canada for approximately \$35 to \$50.

Manufactured in: China

Remedy: Consumers who purchased this specific unit are asked to discontinue use with a 50 watt bulb and replace it with a 35 watt bulb.

Customer Contact: Customers can call Globe Electric to arrange for the receipt of a free two-pack of 35 watt halogen light bulbs or they can return the lamp to their local Canadian Tire store for refund or exchange. Consumer Toll free number: 1-800-361-6761 ext 151.
