Charlescraft recalls Power Adaptor on Portable Coolers / Warmers Due to Fire Hazard

Charlescraft announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Coca Cola (XHC-11), Labatt's Blue (XHC-LB & XHC-LBF), Labatt's Blue Light (XHC-LBL & XHC-LBLF) and Kokanee (XHC-LK) Portable Cooler Warmer.

Units: About 16,000.

Manufacturer/Importer: Changzhou Xinhua Electronics Co. Ltd., China / Charlescraft, Toronto, Ontario.

Hazard: The 120V AC power supply can overheat which could present a risk of injury to consumers or their property.

Incidents/Injuries: 2

Description: The operation of the refrigerator exceeded the electrical ratings of the power supply which led to the power supply overheating.

Sold by: Charlescraft, Toronto, Ontario

Manufactured in: China

Remedy: The consumer is instructed to cease using the Portable Cooler Warmer with the 120V AC power supply (Model # SSU-S0058) immediately. Note the unit also comes with a DC auto adaptor, which does not present a risk of injury to consumers or their property and can be used.

Consumer Contact: Please contact Charlescraft at (416) 255-8181 or (800) 414-5027 to receive a replacement 120V AC power supply at no charge. For additional information, please contact Customer Service at Charlescraft at (416) 255-8181 or (800) 414-5027 or email info@charlescraft.ca.

The Canadian recall is being conducted in cooperation with the Ontario Electrical Safety Authority who will monitor the effectiveness of this recall program.
