Sportsstuff Inc. Recalls Air Pumps for Laceration Hazard

Toronto, ON – The Electrical Safety Authority in cooperation with Sportsstuff Inc. is notifying the public that Sportsstuff Inc. has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

Name of Product: Inflator Air Pumps.

Units: 268 units in Canada.

Manufacturer/Importer: Sportsstuff Inc.

Hazard: The air pumps can overheat and explode during use, posing a risk of lacerations.

Incidents/Injuries: 16 Explosions reported. 10 suffered lacerations and two required stitches in the United States.

Description/Models: The recalled products are air pumps with model numbers 57-1504-A and 57-1504 that are used to inflate low pressure inflatable items such as rafts and toys. The Model 57-1504-A pump was sold

separately with an assortment of interlocking nozzles. The Model 57-1504 pump was sold with the Sportsstuff “Launch Pod”, an inflatable water trampoline. The model number and the date code “0104” are located on the label on the top of the pump.

Sold by: Sam’s Club from January 2004 through January 2005 for about \$50. The Launch Pod water trampolines that included recalled pumps were sold at Sam’s Club from January 2004 through August 2004 for about \$375.

Manufactured in: China

Remedy: The product will be promptly replaced.

Consumer Contact: Please call 402-592-9085 or 1-888-814-8833 for replacement. Customers may also go on-line at www.sportsstuff.com to exchange.
