BSH Home Appliances Corp. Recalls Dishwashers, Due to Fire Hazard

Toronto, ON – The Electrical Safety Authority is notifying the public that BSH has announced a voluntary recall in Canada for the consumer products set out below.

Name of Product: Bosch® and Siemens® brand residential dishwashers.

Units: Approximately 45,500 in Canada

Manufacturer: BSH Home Appliances Corporation, Huntington Beach, California.

Hazard: An electrical component in the dishwasher can overheat, posing a potential fire hazard to consumers.

Incidents/Injuries: As of September 2008, BSH has received twelve reports of incidents in Canada, some of which may include alleged fires and subsequent property damage. No injuries have been reported.

Description/Models: Model Numbers that begin with SHE43C, SHE44C, SHE46C, SHE56C, SHU33, SHU42, SHU432, SHU43C and SHU53A of Bosch® brand residential dishwashers and Model Number beginning with SL34A of Siemens® brand residential dishwashers. The recall involves only those units that were manufactured from May, 1999 through July, 2005 and serial # within the range of FD7905 thru FD8505

Sold by: The affected units were manufactured from May 1999 through July 2005 and sold by retailers in British Columbia, Alberta, Ontario, Quebec, New Brunswick, Nova Scotia and Prince Edward Island. For a complete list of these retailers, visit www.bosch-appliances.ca or www.siemens-home.com.

Remedy: Consumers who have in their possession an affected unit should stop using the unit immediately and contact BSH to arrange for a free field repair by an authorized manufacturer representative.

Consumer Contact: BSH Home Appliances Corporation at 800-856-9226 toll-free, 24 hours a day, 7 days a week. For additional information on the voluntary field action, consumers can visit www.bosch-appliances.ca or www.siemens-home.com.

Remarks: The affected dishwashers are certified to Canadian Standards by Underwriters Laboratories Inc. For more information about the Underwriters Laboratories Inc. product certification process, please visit: www.ul.com.
