## HMI Industries Recalls Floor Cleaners Due to Burn Hazard

**Toronto, ON** – The Electrical Safety Authority is notifying the public that HMI Industries Inc. has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

**Name of Product:** “Majestic 360” Floor Cleaners

**Units:** Approximately 3,000 in Canada.

**Manufacturer:** HMI Industries Inc., of Strongsville, Ohio

**Hazard:** The recalled cleaners’ wiring can overheat, causing electrical arcing and melting. This poses a burn hazard to consumers.

**Incidents/Injuries:** HMI has received 40 reports of overheating and damage to carpets. No injuries have been reported.

**Description/Models:** The recalled floor cleaner is a black-colored, canister-style vacuum with a powered floor tool. The words “Majestic 360” and “FILTERQUEEN” are printed on a label located on the unit.

**Sold by:** Independent distributors in Canada and Ontario from September 2004 through August 2006 for about \$2400.

**Manufactured in:** United States

**Remedy:** Consumers should stop using the recalled floor cleaners immediately and contact the firm to arrange for a free repair at an authorized repair center.

**Consumer Contact:** For additional information, contact HMI Industries at (800) 566-5606 between 9 a.m. to 5 p.m. ET Monday through Friday, or visit the firm’s Web site at [www.Filterqueen.com](http://www.Filterqueen.com).

**Remarks:** The recalled units are certified to Canadian Standards by Underwriters Laboratories. For more information about Underwriters Laboratories product certification process please visit: [www.ul.com](http://www.ul.com)
