Canadian Tire Recalls Utility Heaters

Toronto, ON – The Electrical Safety Authority is notifying the public that Canadian Tire has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

Name of Product: Patton Utility Heater

Units: Not yet determined

Manufacturer: Jarden Consumer Solutions

Importer: Canadian Tire

Hazard: Unit may overheat, causing the outer plastic housing to melt and produce smoke.

Incidents/Injuries: Canadian Tire has not been notified of any instance of injury.

Description/Models: Two identifying features.

1. The product will have a date code on the side of the prong of the plug that falls between A186DH through A322DH. If the date code identified does not fall between A186DH through A322DH the product is NOT included in the recall and the customer can continue to use as directed.
2. Once it has been determined that the product contains a date code that falls between A186DH through A322DH, customers should examine the silver rating label located on the back of the product. If the product does NOT have a round

green sticker on the rating label it is included in this recall and should be returned to Canadian Tire for a full refund.

Sold by: Canadian Tire

When was distributed: Sold from September 2008 through June 2009.

Manufactured in: China

Remedy: If consumers are in possession of the recalled product, they should return the unit to Canadian Tire for a full refund.

Consumer Contact: If unsure if a product is included in this recall, please call Jarden Consumer Solutions at 1-800-333-1930. For further information: Joanne Elson, Canadian Tire Corporation, Limited, (416) 544-7778, Joanne.elson@cantire.com

Remarks: The recalled units are certified to Canadian Standards by Underwriters' Laboratories Inc. For more information about Underwriters' Laboratories Inc product certification process please visit: www.ul.com

This notice is in follow up to the initial consumer recall notification issued by Canadian Tire on September 14, 2009.
