## Husky Generators Recalled Due to Fire Hazard

**Toronto, ON** – The Electrical Safety Authority is notifying the public that Homelite Consumer Products, Inc. of Anderson, South Carolina has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

**Name of Product:** Husky Generators

**Units:** 53

**Manufacturer/Importer:** Homelite Consumer Products, Inc.

**Hazard:** The fuel gauge can leak gasoline posing a potential fire hazard to consumers.

**Incidents/Injuries:** No incidents or injuries have been reported.

**Description/Models:** This recall involves Husky brand generators – models HUCA5700 and HUCA7000. Affected products are limited to those with the following manufacturing date codes:

BML306 through BMM151  
CHL122 through CHM151  
CRL153 through CRM059

The model number and manufacturing date code are included on the data label located on the top or side of the engine. Products with a green “dot” on the outside of the

package or a “silver dot” on the fuel gauge face are not affected products.

**Sold by:** Home Depot Canada, Inc.

**When was distributed:** Sold in Home Depot stores between July 2008 and May 2009.

**Manufactured in:** China

**Remedy:** Consumers should immediately stop using their generator and contact Homelite Consumer Products, Inc. at 1-800-242-4672 between 8 a.m. and 5 p.m. ET Monday through Friday to obtain a free repair kit. For additional information regarding affected generators consumers may visit [www.homelite.com](http://www.homelite.com).

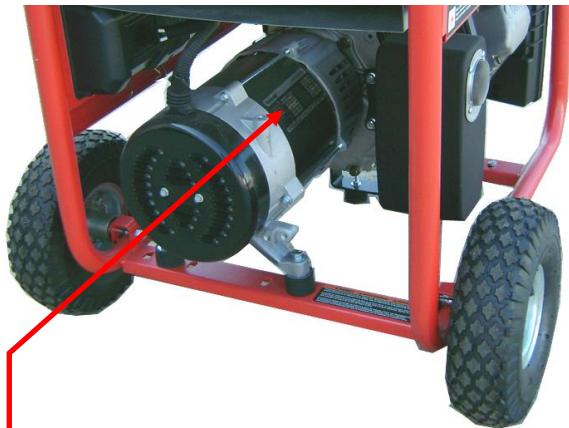

**Consumer Contact:** Consumers may contact Homelite Consumer Products, Inc. at 1-800-242-4672 between 8 a.m. and 5 p.m. ET Monday through Friday or by visiting [www.homelite.com](http://www.homelite.com).

**Remarks:** The recalled units are certified to Canadian Standards by CSA International. For more information about CSA International product certification process please visit: [www.csa-international.org](http://www.csa-international.org)
