Pottery Barn recalls Lamps due to Electrical Shock Hazard

Toronto, ON – The Electrical Safety Authority is notifying the public that Pottery Barn has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

Name of Product: Clay Task Lamp; Montgomery Task Lamp & Montgomery Floor Lamp.

Units: 42 units sold in Ontario; 72 units sold in Canada.

Importer: Pottery Barn Kids

Hazard: The electrical wire that runs through the lamps can be pinched or severed at the lamp’s adjustable joint, posing a risk of electric shock to consumers.

Incidents/Injuries: No injuries reported in Canada. One consumer received a mild shock in US.

Description/Models:

Montgomery Task Lamp, model # 9691783; \$179

Montgomery Floor Lamp, model # 9691775 \$359

Clay Task Lamp, Model # 2374536; \$99

Sold by: Pottery Barn retail stores

When was distributed: July 2009 to September 2010

Manufactured in: India

Remedy: Consumers should return the lamps to a Pottery Barn store for a full refund.

Consumer Contact: Consumers should contact Pottery Barn at 877-851-7890 if they have questions.

Remarks: The recalled units are certified to Canadian Standards by UL. For more information about the UL product certification process please visit: www.ul.com
