**Haier America Trading, L.L.C. Recalls Chest Freezer Sold in US Only Due to Fire Hazard**

The Electrical Safety Authority is notifying the public that Haier America Trading, L.L.C. has announced a voluntary recall of the following consumer product in the US. Consumers should stop using recalled products immediately.

**Name of Product:** Chest Freezers

**Manufacturer:** Haier America Trading, L.L.C., New York, N.Y.

**Hazard:** A capacitor in the freezer’s circuitry can overheat, posing a fire hazard.

**Incidents/Injuries:** Haier America has received reports of 18 incidents from consumers in the United States, where about 67,500 units were sold, including four reports of fires with minor property damage, consisting of smoke damage, damage to a wall, and food spoilage. There have been no reports of injuries.

**Description/Models:** This recall involves Black & Decker® Model BFE53 and Haier® Model ESNM053E 5.3 cubic foot capacity white chest freezers with serial numbers beginning with 1001 through 1007.

**Sold by:** Black & Decker Model BFE53 was sold in the United States exclusively at Wal-Mart and Haier Model ESNM053E was sold through Amazon.com and other retailers in the United States.

**When distributed:** January 2010 through October 2010 in the United States only.

**Manufactured in:** China

**Remedy:** Consumers should immediately unplug their freezer and contact the company to schedule an appointment for a free repair to the freezer.

**Consumer Contact:** (877) 878-7579 or visit the firm's website at [www.chestfreezerrecall.com](http://www.chestfreezerrecall.com).

**Remarks:** The affected units were intended for sale and distribution in the U. S .only. However, the recalled units are certified to Canadian Standards by UL. For more information about UL product certification process please visit [www.ul.com](http://www.ul.com).
