American Tack and Hardware Co. Inc. (AmerTac) Recalls Forever-Glo Cylinder Nite Lites Due to Fire and Burn Hazard

The Electrical Safety Authority is notifying the public that American Tack and Hardware Co. Inc. (AmerTac) has announced a voluntary recall of the following consumer products. Consumers should stop using recalled products immediately.

Name of Product: “Forever-Glo Cylinder Nite Lites”

Units: About 10 000 across Canada.

Manufacturer: Ningbo Shengye Electronics Co., Ltd.

Importer: American Tack & Hardware Co. Inc., of Saddle River, N.J.

Hazard: An electrical short circuit in the night lights can cause it to overheat and smoulder or melt which can burn consumers or result in a fire.

Incidents/Injuries: AmerTac has received nine reports from the United States of the recalled night lights smoking, burning, melting and/or charring. No injuries have been reported.

Description/Models: The recalled “Forever-Glo Cylinder Nite Lite” is a cylinder shaped night light with a white base and clear top that plugs into the wall. Only Model Number 71107 with a manufacturer code of SY is

included in this recall. The model number and manufacturer code are printed on the back of the night light. The light measures about 4 inches in height by 1-1/2 inches wide and is about 1 inch thick.

Sold by: Rona stores across Canada

When was distributed: May 2009—September 2010

Manufactured in: China

Remedy: Consumers should stop using the recalled night lights immediately. If the units are plugged into the wall, remove the light from the wall socket. Contact AmerTac for instructions on receiving a full refund.

Consumer Contact: For additional information, contact AmerTac at (800) 420-7511 between 8 a.m. and 5 p.m. CT Monday through Friday, or visit AmerTac's website at www.amertac.com or www.recall-center.com

Remarks: The recalled units are certified to Canadian Standards by Intertek. For more information about Intertek product certification process please visit: Intertek’s Website: www.intertek.com.
