AmerTac Recalls Night Lights Due to Fire and Burn Hazard

The Electrical Safety Authority is notifying the public that American Tack and Hardware Co. Inc. (AmerTac) has announced a voluntary recall of the following consumer products. Consumers should stop using recalled products immediately.

Name of Product: Color Changing Night Light (Model No. 71193), AmerTac™ HiLo Night Light (Model No. 71194) and AmerTac™ HiLo Night Light (Model No. 327879).

Units: Approximately 1,829 sold across Canada.

Manufacturer: Ningbo KML Electrical Co., Ltd.,

Importer: American Tack and Hardware Co. Inc. (AmerTac) of Saddle River, NJ.

Hazard: An electrical short circuit in the night light can cause it to overheat and smoulder or melt which can burn consumers or result in a fire.

Incidents/Injuries: AmerTac has received 19 reports from the United States of the night lights smoking, burning and/or charring, including reports of property damage and one report of a minor burn injury. AmerTac has not received any reports of incidents with these night lights occurring in Canada.

Description/Models: Three night light models are being recalled, model numbers 71193, 71194 and 327879. All three models have KML, ETL, the model number and the AmerTac™ logo molded on the back of the night lights' plastic housing. Model number 71193 is a square shaped,

white plastic unit with a flat translucent square window on the front and a button for changing the screen colour. Model 71194 and 327879 resemble a computer mouse with white plastic housing and inset translucent windows on the front and sides.

Sold by: Lowes Canada (locations across Canada) Azcor Electronics Inc. (Thornhill, ON) Sundial Lighting (Vernon, BC) Mountain High Lighting (Castelgar, BC) and Vancouver Lighting (Richmond, BC).

When was distributed: April 2009 - January 2011.

Manufactured in: China

Remedy: Consumers should stop using the recalled night lights immediately and unplug them from the wall. Contact the firm for instructions on receiving a full refund.

Consumer Contact: For additional information, contact AmerTac at (800) 420-7511 between 8 a.m. and 5 p.m. CT Monday through Friday, or visit AmerTac's website at www.amertac.com or www.recall-center.com.

Remarks: The recalled units are certified to Canadian Standards by Intertek. For more information about Intertek product certification process please visit: www.intertek.com.
