Wahl Canada Recalls Clippers Due to Defective Cable Cord

The Electrical Safety Authority is notifying the public that Wahl Canada has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

Name of Product: Senior Hair Clipper model #56121 and Alpha Hair Clipper model #3404-3.

Units: 380 Senior Clippers in Ontario, 540 Senior Clippers in the rest of Canada, 612 Alpha Clippers in Ontario and 612 Alpha Clippers in the rest of Canada.

Manufacturer/Importer: Wahl Canada

Hazard: The cable surrounding the electrical cord has the potential to crack and split when coiled or folded. This could create a small potential for a shock hazard.

Incidents/Injuries: No injuries or damages to report.

Description/Models: Senior Hair Clipper model #56121 color grey with Wahl Senior logo on lid; date code M10, N10, A11.

Alpha Hair Clipper model #3404-3 color grey with Wahl Senior logo on lid; date code K10 and M10.

Sold by: Wahl Canada

When was distributed: November 2010 to January 2011.

Manufactured in: USA

Remedy: Consumers are asked to return the product to store purchased or directly to Wahl Canada for rework or replacement effective immediately.

Consumer Contact: For further assistance contact Wahl Canada, Joanne Galego - Customer Service toll free at 1-866-787-9245 located at 80 Orfus Road, Toronto Ontario, M6A 1M1

Remarks: The recalled units are certified to Canadian Standards by CSA. For more information about CSA product certification process please visit: www.csainternational.org
