Pier 1 Imports® Recalls Lighted Wall Dragonfly Due to Overheating

The Electrical Safety Authority is notifying the public that Pier 1 Imports has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately

Name of Product: Lighted Wall Dragonfly (Model 32219) indoor/outdoor decorative light set

Units: Approximately 134 units sold to consumers in Canada

Manufacturer/Importer: Pier 1 Imports (U.S.), Inc.

Manufactured in: China

Hazard: The lights can overheat causing the plastic to melt at the base of multiple bulb sockets

Incidents/Injuries: Four reports of overheating and melting at the bulb base. No reports of any injuries or property damage.

Description/Models: Lighted Wall Dragonfly (Model 32219, SKU #2594619) is a decorative light set in the shape of a large dragonfly. It features 40 mini-lights interwoven into the wings, and has a red CSA label on the

power cord. The products were sold at Pier 1 Imports in Canada for about \$99.

Sold by: Pier 1 Imports in Canada

When distributed: Between February 2012 and October 2012

Remedy: Discontinue use of the Lighted Wall Dragonfly and return it to a Pier 1 Imports store for a refund of the purchase price or a store credit. All known purchasers are being contacted directly by Pier 1 Imports.

Consumer Contact: Pier 1 Imports toll free at: 800-689-0797, Prompt #2, between 8am and 7pm CST Monday-Friday, or visit the company's website at www.pier1.ca.

Remarks: The recalled units are certified to Canadian Standards by CSA International. For more information about CSA International product certification process please visit: www.csa-international.org
