## Philips Lighting Canada Recalls Philips 12A19 EnduraLED Due to Shock Hazard

**Toronto, ON** – The Electrical Safety Authority is notifying the public that Philips Lighting Canada has announced a voluntary recall of the following product. End users should stop using recalled products immediately.

**Name of Product:** EnduraLED, product code 409946 12A19/END/800LM/2700/120V DIM with manufacturing date code 2L.

**Units:** 35,900 units in Canada; 1,195 units in Ontario.

**Manufacturer/Importer:** Philips Lighting Canada (a division of Philips Electronics Ltd.)

**Hazard:** A lead wire in the bulb's housing can have an improper fitting, which can electrify the entire lamp and pose a shock hazard.

**Incidents/Injuries:** No injuries or incidents have been reported to Philips Lighting Canada.

**Affected Models:** This recall involves Philips EnduraLED 12-watt dimmable light bulbs. The bulbs are orange in colour and have "Made in China" "Fabrique en Chine" followed by a slanted "S" and the model number "9290001829" printed on the gray plastic band on the

neck of the bulbs. The date code "2L" is printed on the metal screw base.

**Sold by:** These products were sold by Philips Lighting Canada only to professional electrical wholesale supply distributors in Canada.

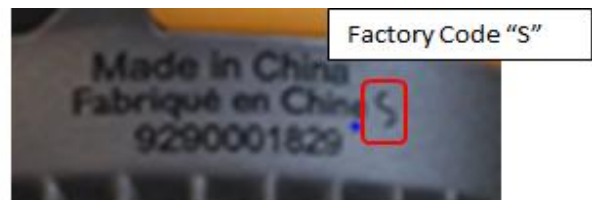

**When distributed:** Since November 2012

**Manufactured in:** China

**Remedy:** End users should immediately stop using the affected product, unplug the fixture, remove the bulb and contact Philips Lighting Canada for free replacement bulbs. Philips will replace all affected units currently installed in end-user applications at no cost to the end-user. Philips will issue replacements to all distributors with affected units in inventory.

**Consumer Contact:** End users and distributors are advised to contact Philips by email at [canadawarranty@philips.com](mailto:canadawarranty@philips.com) or call Philips Lighting Canada at 1-800-363-1464.

**Certification:** cUL listed 92900001829
