**The Electrical Safety Authority Warns Consumers about Unsafe Vichy Showers Supplied by VNF International**

Toronto, ON – The Electrical Safety Authority (ESA) is notifying consumers about Counterfeit Vichy Showers supplied by VNF International. These products, which are electrical hydro massage/shower devices, have not been tested by a recognized certification agency for Ontario.

The Vichy Showers bear an unauthorized Intertek-ETL Trade Mark.

Intertek Testing Services has determined that the Vichy Shower product is not authorized to bear the Intertek-ETL Trade Mark.

**Direction:** Electrical Safety Authority is requesting consumers to stop using this product immediately.

***Please see photos of the counterfeit product on the next page.***
