The Electrical Safety Authority Warns Consumers about Unapproved Decorative Lamps & Bulbs Distributed by Vickie Jean's Creations

Toronto, ON – The Electrical Safety Authority (ESA) is notifying consumers about unapproved decorative lamps and bulbs distributed by Vickie Jean's Creations.

These products are unapproved, not tested to any Canadian Safety Standards and do not bear any recognized certification mark in Canada.

Description/Models: Various decorative lamps with various markings: "China", "Vickie Jean's Creations", "USA" & no markings. Silicone dipped decorative light bulbs; the light bulbs have markings: 6W / 130V and 4W / 130V.

Direction: Electrical Safety Authority requests consumers to stop using these products immediately.
