Product Safety Alert

The Electrical Safety Authority Warns of Unapproved Straightening Irons

The Electrical Safety Authority (ESA) is notifying consumers about unapproved straightening irons being sold at various trade shows and in Shopping Mall Kiosks across Canada. These products are unapproved, not tested to any Canadian Safety Standards and do not bear any recognized certification mark in Canada.

Description / Models: The straightening irons are the Tattoo model and come in black, pink and red with a tattoo design on the iron and the packaging.

Sold By: Luxury Hair Systems
1204 Yates St
Unit 42
Victoria, BC
V8V 4V1

Direction: Electrical Safety Authority requests consumers to stop using these products immediately.
