Product Safety Alert

### Intertek Testing Services Warns Consumers of Potential Safety Risk

Intertek Testing Services (ETL) is notifying consumers of a potential safety risk for the following Humidifiers:

- Kecheng, Models JS006 and JS024
- Crofton, Models EWUH45F and EWUH45P
- Ewave, Models EWUH45F and EWUH45P

Intertek has determined the products do not comply with the applicable Standards and pose a safety risk.

**Manufacturer:** Foshan Shunde Kecheng Electrical

**Description/Models:** Please see pictures below. The humidifiers are identified by the brand names and models listed above and bear the ETL Certification Mark with Control Number 4001374.
