Product Safety Alert

The Electrical Safety Authority Warns of Unapproved Infrared Saunas

The Electrical Safety Authority (ESA) is notifying consumers about an unapproved infrared sauna that was available for purchase online. This product is unapproved, has not been tested for compliance with any Canadian Safety Standards and does not bear any recognized Canadian certification marks. ESA has attempted to make contact with LuxSauna and has not received a response.

Distributor: LuxSauna Inc.
Denver, Colorado
USA
www.luxsauna.com

Manufacturer: Unknown

Name of the Product: Infrared Sauna

Direction: Electrical Safety Authority requests consumers to stop using these products immediately.
