**Currey & Company Recalls Chandeliers Due to Shock Hazard**

The Electrical Safety Authority is notifying the public that Currey & Company has announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately.

**Name of Product:** Currey & Company crystal and metal chandeliers

**Units:** Approximately 100 were sold in Canada.

**Manufacturer:** YQF Lighting Manufacturer Co, LTD

**Importer:** Currey & Company, Atlanta, GA

**Manufactured in:** China

**Hazard:** Defective wiring can conduct electricity to the chandeliers’ metal parts, posing an electric shock hazard to consumers.

**Incidents/Injuries:** Neither Health Canada nor Currey & Company has received any reports of incidents or injuries to Canadians related to the use of these chandeliers.

**Description/Models:** This recall involves 10 models of Currey & Company crystal or metal chandeliers. They were sold in various colors and measure approximately 53 centimetres (21 inches) wide and 140 centimetres (55 inches) high. The model name is on the exterior of the

shipping carton. Item numbers are printed on a white label on the interior of the chandeliers’ canopy. (See the Table Below.)

**Sold by:** The affected products were sold at home furnishing and lighting stores nationwide, and online at [www.lightingdirect.com](http://www.lightingdirect.com) and Amazon.com

**When distributed:** January 2010 to February 2013

**Remedy:** Consumers should immediately stop using the recalled chandeliers, turn off the chandelier’s power supply and contact Currey & Company for instructions on how to obtain a free replacement chandelier, including shipping, or free repair of the chandelier by a licensed electrician.

**Consumer Contact:** For more information, consumers may contact Currey & Company toll-free at 1-866-577-6430 from 8:30 a.m. to 5:30 p.m. ET Monday through Friday; or online at [www.curreycodealers.com](http://www.curreycodealers.com) and click on Important Safety Recall located at the bottom of the home page for more information.

**Remarks:** The recalled units are certified to Canadian Standards by Underwriters Laboratories Inc.. For more information about UL product certification process please visit: [www.ul.com](http://www.ul.com)

| <b>Item Number (first four digits)</b> | <b>Model</b> | <b>Color</b>           | <b>Size (if applicable)</b> |
|--|--------------|------------------------|-----------------------------|
| 9150 and 9151                          | Guilia       | Smoke                  | Small and Large             |
| 9152 and 9154                          | Guistina     | Yellow and Blue        | N/A                         |
| 9155                                   | Giselle      | Smoke                  | N/A                         |
| 9061, 9062 and 9063                    | Valentina    | Clear, Black and White | Small                       |
| 9064                                   | Passionata   | White                  | N/A                         |
| 9065                                   | Ovation      | Black                  | N/A                         |
